

Board and miniature cameras

Dome housing with p/t head and remote control

Art. no. 13508-WOC Model name VC-KUP105SN
Art. no. 13510 Model name VC-BGSN-KUP
Art. no. 13531 Model name VC-KUP105SN-DUP

Version Dome housing incl. p/t
Version Remote control 24V AC
Version Ceiling flush mount frame

Ceiling surface mount

Ceiling flush mount

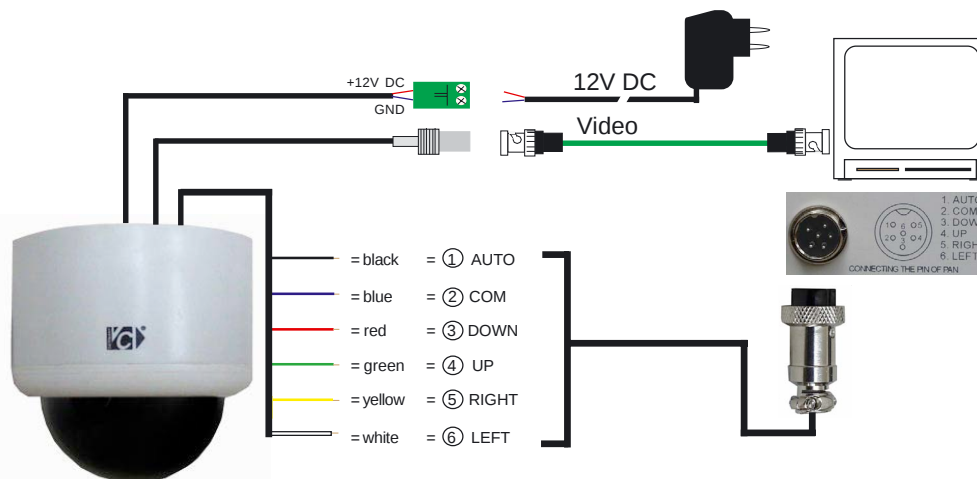

Remote control incl. 24V AC power source for p/t-head and power cable with 230V AC plug

Technical data

Assembling place:..... Indoor
Special functions:..... Discrete control
Environmental temperature:..... 0 up to +50 °C
Horizontal rotation angle:..... 355°
Vertical tilt angle:..... 90°
Housing constructions:..... Plastics
Housing color:..... Dome housing: beige
Internal screen: black
Dome: plexiglas, clear
Dimensions:..... See drawing
Weight:..... 450g
Fastener for board camera:..... Plastics arena
Electrical safety:..... 60065+60950 class III
Control voltage:..... 24V AC about controle console
Camera voltage:..... 12V DC
EMC:..... EN 50081+82, CE certification
Connections:(Video)..... Connection cable with BNC socket
(Voltage)..... Screw connection
(Control)..... Open ends

VDE CE EMC
